2,	On about 20 November LI Huai-chang (文章),*** Chief of Staff of the Kwangtung River Defense Headquarters, and FENG Pai-chu,**** head of the Chinese Communist Government on Haines, visited Yulin, where a large part of the South China naval strength was assembled.				
3.	In mid-November approximately 300 mines were sent from Whampoa to the Wanshen Islands on an LST.				
l.	On 15 November, following the completion of repairs on a runway and on an oil tank at Paisha Airfield, the Chinese Communist authorities at Canton sent two planes from Canton to make test landings at the field. Although there were no accidents, the runways proved to be too weak, with the result that they are to be strengthened.				
5.	On 16 November 200 cases of ammunition and Soviet-made anti-aircraft guns were shipped from Canton to Pacan (113-56, 22-32) and Muiyang (114-26, 23-05).				
6.	On 25 November the Chinese Communist authorities at Canton strengthened the outer ring of Canton air defenses by establishing observation posts at Tachiawan (大京之), T'angchiawan (京京之), and Santsao (113-, 22-).
